HARMONIES UNITE

Dear Singers and Families

This year the Mornington Peninsula Choral Festival Inc. is holding a one day Choral Workshop for Upper Primary and Secondary students who love singing from Years 5 – 10.

We have been fortunate to secure the expertise of the wonderful Kate Sadler who will be our choral tutor, director and inspiring singing guru for the day. Kate will teach us two of her own compositions as well as guiding the rehearsal and performance of other performance pieces to be included in a concert for parents at the end of the day.

The day will be sponsored by generous donations from both the Mornington Peninsula Choral Festival and the Mornington branch of the Australian Decorative & Fine Arts Society.

Students will be under the supervision of a teacher from their school during the workshop day.

If you are interested in joining the Choral Workshop, please read the information below, fill in the registration form and return it with your registration fee to your teacher.
